Defoe.

Oh, bright sunshine, how your golden rays make us think of spring.

How bright is the smile of the farmer, as he sees his plowing will progress finely if good weather does not leave us.

Rev. Spates filled his appointment at the M. E. Church, at this place, and delivered an eloquent discourse.

Joseph Thompson and Miss Prisie Maddox, near this place, eloped to Jeffersonville last week and were married. The young lady's parents were bitterly opposed to the marriage, but a general thing parents will forgive their children, wish them a happy life, and may they prosper in all their undertakings.

Mrs. Sallie Claxon, of this place, is visiting her parents near Monterey, Owen county.

Probably never before in the history of our country has there occurred a more wholesale poisoning than at the wedding feast of Mr. Snooks and Miss Herr, at St. Matthews, on the 14th instant. Every one who took of any of the viands were more or less affected. Up to the present time but three deaths have occurred, but there are several more who are dangerously ill. The physicians are divided in three opinions as to the nature of the poison; some think arsenic had been placed in the spring; while others think it was in the mushrooms. As to how or by whom the poison found its way into the food is a mystery, although the matter is undergoing investigation.

The F. & L. U. of Defoe, Henry county, will hold their annual meeting on May 18. There will be some good speeches made. Sister lodges are invited. Speaking to commence at 2 o'clock, p.m.

Mr. Sheehan, of Eminence, was in our town Sunday. Give us another call, Mr. Sheehan, we are always glad to see you.

Mr. Ebb Long, of Bailey's Mill, passes through our town right often. Mr. Long has got the tobacco grin. You may ask him how the tobacco trade is and he will tell you that it is off a little. That is all the encouragement you get from an agent.

Thousands Poisoned.

In a recent work on Heart Disease, Dr. Franklin Miles—this noted specialist—gives many new and startling facts. Thousands of people are slowly poisoning themselves, weakening their hearts by the use of tea, coffee, tobacco, whisky, etc. These are tinctures. Whisky causes it to act quickly, thus gradually weaning it out, producing shortness of breath when exercising, pain in the side and shoulder, hungry and faint spells. Finally heart trouble and sudden death. For weakened and irritable hearts the press everywhere highly recommend the New Heart Cure discovered by Dr. Franklin Miles, which is for sale at J. W. Gayle's drug store. 5

A CHILD KILLED.

Another child killed by the use of opiate given in the form of Soothing Syrup. This method of giving children such deadly poisons is surprising, when they can relieve the child of its peculiar troubles by using Dr. Acker's Baby Soother. It contains no opium or morphine. Sc. 3 by J. W. GAYLE, Druggist.

Among the Colored Citizens.

The First Independent Baptist Church will perform the ceremony of baptism in the church pool next Sunday.

Rev. James M. Turner is on a business trip to Washington City.

The pleasure-seekers will be gratified next Friday night. First the concert, next the May festival.

Mr. Phil. White was in the city this week, attending the encampment.

The regular members of the G. A. R. made a fine showing at the encampment.

Our good people gave them the key to the city, and showed them all the sights in and around Frankfort.

Mr. Robert Irvin had his arm cut off Thursday at one of the Saw-mills. At this writing he is resting easy.

Mr. W. M. Bryant had his foot badly mashed this week.

Mrs. S. A. Coleman and Miss Martha Cragg, of Versailles, are expected in the city soon.

Mr. and Mrs. Sam Coleman gave an art display at Versailles last week, in which the following ladies and gentlemen from this city took part: Miss Martha Williams, violin solo; Miss S. Walker, instrumental solo; Mr. L. T. Clark, recitation; Dr. Un-

Miss Estelle Rickman, of New Albany, Ind., who has been visiting her sister, Miss Sophie Rickman, left Thursday for her home. During her stay here Miss Estelle made a visit to the hospital, where she spent some time with the patients, and her many friends hope she may soon repeat her visit.

Mr. Jerry Lancaster, of Louisville, was here this weekend attending the G. A. R. encampment. It is needless to say to us he made himself numerous among "the boys" and had a good time. Mr. Lancaster is the popular bar-keeper for Mr. Ed. War-

The Wonderful Tower.

The highest structure in the world is Eiffel Tower, at Paris, 1,000 feet high. But the great discovery of Dr. Franklin Miles is certain to tower above it in promoting human happiness and health. This wonderful system cures fits, spasms, headache, nervous prostration, dizziness, sleeplessness, monthly pains, sexual troubles, etc. Mrs. John R. Miller, of Valparaiso, Ind., and J. D. Taylor, of Indianapolis, Ind., gain 15 pounds a month while taking it. Finely illustrated treatise on "Nervous Diseases" and sample bottle of the Restorative Nervine free at J. W. Gayle's drug store, who guarantees it.

Beautiful weather. Hope it will continue.

Mrs. Wm. Moore and wife, of Bark Branch, and little granddaughter, of Louisville, visited their son, Mr. Socde Moore, Saturday and Sunday.

MARRIED.—At the residence of the bride's father, Mr. Jesse Clark, Thursday, April 23d, 1891, Mr. J. A. Whitehouse and Miss Edna Clark. The bride is a most popular young lady, while the groom is an enterprising young gentleman and we wish him well of his future he won.

Mr. James Goins, of Woodford county, attended church at Mt. Zion last Sunday.

Miss Amanda Gentry, of Indiana, who has been visiting friends and relatives in this and adjoining localities for some time past, has returned home.

Wonder why Miss —— looked so sad Sunday night? Can't imagine,

and don't you feel short of information we will just leave the decision with Budger. Of course he will gratefully decide.

A Sunday school has been organized at Mt. Zion, which will commence at 9:30 o'clock. A cordial invitation to all.

LITTLE SUE.

Hawkers and Peddlers.

What ear-splitting cries we hear daily in the streets of every large city! But these itinerant dealers who hawk their wares about are, when under proper protection, a useful portion of the community, and not such nuisances as the catfish hawkers. This is a stubborn disease to conquer, but Dr. Sage's Catfish Remedy does it. It is mild, soothing and antiseptic, unlike some tonics that burn. It corrects offensive breath, and restores taste, smell and hearing. Natural catarrh often ends in consumption. Apply the only cure in time. Price 50 cents, by all druggists.

CAN'T SLEEP NIGHTS

In the complaint of thousands suffering from Asthma, Consumption, Coughs, etc. Did you ever try Dr. Acker's English Remedy? It is the best preparation known for all Lung Troubles. Sold on a positive guarantee at 25c. and 50c.

Horrible Accident at Pence's Saw-mill.

While engaged in cutting laths at W. L. Pence's saw-mill at Bellepoint, yesterday afternoon about 1 o'clock, Robert Dawson, a young man about 18 years of age, who lives in South Frankfort, stepped upon a pile of lumber to tie a loose pulley-belt, and in some way got his left arm caught in a pulley which was in motion near the one he was at work, and in an instant was wrapped around a rapidly revolving shaft. His arm was pulled from the socket, both feet jerked off and a terrible gash cut in his forehead and left side of the abdomen. All his clothes except the socks were torn from his body and wrapped around the shaft. When the machinery was stopped his body was lying in a shapeless mass and the left arm and clothes hanging to the shaft.

Coroner Dehoney was notified and immediately held an inquest, the following being the verdict:

We, the jury, find that the dead body of Robert Dawson, of Frankfort, county, and that he came to his death by accidentally being caught in the machinery of W. L. Pence's saw-mill while the same was in motion.

Meeting of the State Encampment in This City.

The meeting of the State Encampment of the Grand Army of the Republic here on Wednesday drew quite a number of the old veterans to the city. They began coming in Tuesday morning and by Wednesday several hundred of them had gathered in. The business houses were decorated with flags and bunting in honor of the coming of the old soldiers and the city presented quite a holiday appearance.

On the arrival of the morning train from Louisville Wednesday a procession was formed at the L. & N. depot, headed by a brass band and a drum corps, composed of little boys, and marched through the streets to the Opera House, where the Encampment went into secret session.

Wednesday afternoon the annual election of officers was held, which resulted as follows:

Col. S. G. Hillis, Fearis, Lewis county, Grand Commander.

Col. T. E. Livezy, Covington, Senior Vice Commander.

Col. Albert Scott, Louisville, Junior Vice Commander.

Rev. T. J. Wood, of Flemingsburg, Chaplain.

Dr. E. J. Porter, of Louisville, Medical Director.

Delegates to the Grand Encampment of the United States, which meets at Detroit, were elected as follows: Gen. E. H. Hobson, from the State at Large; Major D. J. Burchett, J. W. Hammond, J. H. Browning, John Fowler and P. W. Hager.

At 3 o'clock Wednesday afternoon Gen. Veazey, of Vermont, Commander in Chief of the G. A. R. in the United States, accompanied by his Assistant Adjutant General, Col. L. S. Ewing, arrived, were met at the L. & N. depot by a committee headed by Gen. Green Clay Smith, and escorted the Opera House, where he delivered an address to the soldiers then in session.

Wednesday night A. G. Bacon Post, No. 33, of this city, gave a supper at the Capital Hotel to the visiting posts. Tables were set for 300 guests. Judge W. H. Sneed, of Bacon Post, presided. The toasts and responses were as follows: "The Commander-in-Chief"—response, D. J. Burchett; "The Ex-Federal Soldier"—W. G. Veazey, of Vermont; "Woman's Relief Corps"—Commander Hillis and Rev. Green Clay Smith; "Kentucky in the War"—Geo. A. Jones; "Our Dead and Maimed Comrades"—Judge Sneed and A. T. Wood.

Arrangements were made Wednesday afternoon for the Grand Encampment in a body to escort Commander-in-Chief Veazey around the Executive Mansion, to pay their respects to Gov. Buckner, a veteran in gray, but unfortunately he was out of the city, which was a great disappointment to the old veterans who were the blue.

The following resolution was unanimously adopted:

Resolved, That we extend to Albert G. Bacon Post, No. 33, and to the citizens of Frankfort generally, our heartfelt thanks for the cordial manner in which we have been received by the people of Frankfort.

Thursday morning the Grand Encampment concluded the business before it and adjourned to meet at Lebanon next year.

The people of Frankfort were highly gratified at the unanimous election of Col. S. G. Hillis as Grand Commander, for during the two sessions of the Legislature in which he served as Representative from Lewis county, they found in him a friend in whom they could rely at all times, and would be delighted to see him reelected at the next session, should he conclude to become a candidate for the position.

Thursday afternoon the old veterans left for their homes greatly delighted at the reception here and the munificent meeting.

surely and slowly being thinned, and it was noticeable that very few of the delegates were not grey-headed and many bent with the weight of years.

Memorial Services.

Memorial Services were held at the Louisville High School on Saturday in honor of the late Prof. S. P. Browder, of this city, at which eulogistic addresses were delivered by prominent educators of the city.

Discharged.

Ell Gardner had an examining trial before Judge B. G. Williams Wednesday morning, upon the charge of cutting Sam Salyers and Buck Johnson, Tuesday night of last week, and was discharged from custody.

Half Rates to Norfolk.

The C. & O. Railroad will sell half rate tickets from Louisville and Lexington to Norfolk, Virginia, on the 18th and 19th of this month on account of the great auction sale of lots by the Port Norfolk Land Company. The tickets will be good returning for fifteen days from date of sale.

The Kirmess.

On the 7th, 8th and 9th of May, at the Lexington Opera House, 158 amateurs will give a Kirmess for charitable purposes under the auspices of Prof. H. T. Speedy, of Detroit, Mich. The dances are: Irish, Spanish, Holland, Greek, American, Fisher's Hornpipe, Minuet, Gavotte, Gypsy, Baby Nation, Little Lord Fauntleroy, Lone Fisherman, Highland Fling, Seasons, and Grand Finale.

A Smash Up.

Mr. Sam Lasucher was driving rapidly up Broadway Monday afternoon, in his wagon, and in turning into Ann street ran into and knocked a wheel from the surrey of Mrs. E. Macklin, which was standing in front of Mr. J. W. Gayle's drug store. Miss Ruby Macklin, Master George Macklin Gayle and his colored nurse were sitting in the vehicle at the time, but fortunately escaped injury.

Sentence of the Court-Martial.

The findings of the court-martial of the 2d Regiment, K. S. G., which met in this city several weeks ago, for the trial of several members of the Johnson Guards for insubordination, were read before the company Monday evening, and are as follows:

Color Sergeant Alex. Innes to be reduced to ranks and to pay a fine of \$25; Private Elwood Collins to pay a fine of \$25; and Private Julian Kersey to pay a fine of \$25 and be imprisoned ed ten days in the county jail.

With Suicidal Intent.

A young man by the name of William O'Neil, who had been employed at the livery stable of Mr. H. R. Williams for several weeks, lost his place on Sunday, became despondent, procured four grains of strichnine, and took a large dose of it with the intention of destroying his life. When the poison began to take effect he told some one what he had done. He was taken to the Meriwether Hotel, physicians summoned and after hard work they succeeded in saving his life. O'Neil came to this city from Bourbon county, where he has relatives residing, and they were notified of his condition. On Tuesday his mother and sister came to this city and took him home with them.

Cutting Carnival.

The colored people were rather bold with their cutlery on Saturday and Sunday nights, and various ugly gashes were the result thereof. Bob Green, Harry Grant and Jim Eversole engaged in a row on the corner of Washington and Mero streets, Saturday night, in which Green was nearly disembowled by a razor in the hands of Grant, and retaliated by slashing Grant across the arm with a knife. On Sunday night Charley Johnson and Duke Robinson got into a racket in Jess Hockin's place, on Broadway, in which Johnson slit open the back of Robinson's neck. Green is in a pretty bad fix but the other wounds are not dangerous. Grant and Eversole are locked up, but Johnson skipped.

Thursday afternoon the old veterans

left for their homes greatly delighted

at the reception here and the munificent meeting.

The I. O. O. F. Celebration.

The seventy-second anniversary of the organization of the Independent Order of Odd Fellows was celebrated this year by Capital Lodge, No. 6, in a more elaborate style than usual. Sunday afternoon a memorial service was held in their hall, at which Rev. E. A. Penick, of the Episcopal Church, preached an appropriate sermon to a fair audience. On Monday evening a large company of Odd Fellows, their wives, daughters and invited guests assembled at the hall and were addressed by Past Grand Master A. J. Reed, of Louisville, and Past Grand Col. Thos. B. Ford, of this city. At the conclusion of Col. Ford's remarks Past Grand W. B. Bridgeford made a few appropriate remarks and at the close called up Past Grand Albert Chilson and in the name of Capital Lodge presented him with a handsome regalia. Mr. Chilson was taken completely by surprise and was so overcome that he was unable to express his thanks. Mr. Chilson has for years been one of the most faithful workers in Capital Lodge and the regalia was presented to him as a token of their appreciation of his labors by his brethren.

The audience was then invited to the north hall, where an elegant banquet had been spread by the ladies—wives, daughters and sweethearts of the Odd Fellows of Frankfort—to which all did ample justice. One notable feature of the celebration was the presence of Captain Sano Goh, the oldest living member of Capital Lodge, he having joined fifty-one years ago, when the Lodge was only a few months old. The old gentleman is somewhat feeble, but was able to climb the long flight of steps leading to the hall with the assistance of two of the brethren. No one present enjoyed the ceremonies more than he, and he was out upon the streets early the next morning looking ten years younger.

Capital Lodge is the strongest organization of any of the benevolent orders of the city, both numerically and financially, and has done a vast amount of good in this community by dispensing charity. May she still continue the good work and the present excellent membership live to celebrate many more anniversaries.

Johnson Tries to Escape.

Chas. Johnson, the burglar confined in the jail here, was detected Saturday in an attempt to cut out of the jail, by Deputy Jailer W. H. Williams. He had broken out one of the sheet iron slates of his bed and with it had worked the mortar from between two of the stones near rear window, laying bare the iron dowel pin which holds the stones together; had stolen a large knife which had been brought into the jail with the prisoners' meals, had made it into a saw with which to cut the dowel, and would soon have made good his escape. He was placed in the steel cage in the second story of the jail as soon as the discovery was made, and will now have to cut out of that and then through the stone wall in order to gain his liberty. The strip of sheet iron and knife saw were found concealed under the floor in the rear of the jail.

The Aquatic Exhibition.

The exhibition given by Capt. Paul Boyton, the noted swimmer, in Jones' pond, at Switzer Station, Sunday afternoon, was largely attended by people from this city, Georgetown, Paris and the country around Switzer. The exhibition was enjoyed by every one present except two of our enterprising citizens who were so unfortunate as to be left by the train and had to foot it in from the Forks of Elkhorn.

The Ladies Delighted.

The pleasant effect and the perfect safety with which ladies may use the liquid fruit laxative, Syrup of Figs, under all conditions make it their favorite remedy. It is pleasing to the eye and to the taste, gentle yet effectual in acting on the kidneys, liver and bowels. 34-1m.

A Warm Time Expected.

The Democratic County Convention will meet at the Court House this afternoon for the purpose of appointing delegates to the State Convention which meets in Louisville on the 13th inst. A strong fight will be made to have the delegates instructed to vote for certain candidates for the nomination of Governor and State Auditor and a lively contest is expected.

Leg Broken.

The steam tow boat Excel was going down the river Tuesday morning with a lot of empty barges in tow, and when near the railroad bridge her cylinder head blew out, some of the flying debris striking Mr. Billy Mann, the second engineer, knocking him into the river and breaking his leg. He was rescued by a boy in a boat, brought up into the city, where he received medical attention and is doing very well.

Wasn't Lost.

The Cincinnati Enquirer of Thursday last contained a notice in regard to Mrs. Mary M. Moore, of Georgetown, which for a time created considerable anxiety among the friends of that lady. That statement was that Mrs. Moore, who had gone to that city shopping, expected to meet her daughters. They had agreed to meet at the Palace Hotel at 2 o'clock the afternoon before that she had been seen that morning in Franklin street, and had not come sometime thereafter been heard of her. A description of Mrs. Moore was also given. The daughters, of course, were greatly disturbed on account of

her absence. Mrs. Moore was not lost, nor had anything happened to her. The inability of her daughters to meet her was simply the result of a mistake. They had just gone to the Grand Hotel instead of the place *Georgetown Times*.

Mrs. Moore is the mother of Mrs. O. R. Crutcher, of this city, and the publication in the Enquirer caused some uneasiness to Mrs. Crutcher until the truth was learned.

J. W. Gayle, the druggist, desires us to publish the following testimonial as he handles the remedy and believes it to be reliable.

I bought a 50 cent bottle of Chamberlain's Pain Balm and applied it to my limbs, which have been afflicted with rheumatism for a year. At the time I bought the Pain Balm I was unable to walk. I can truthfully say that Pain Balm has completely cured me. R. H. Farr, Hollywood, Kansas, Mr. A. B. Cox, the leading druggist at Hollywood, vouches for the truth of the above statement.

Save Your Flags.

The business houses of our city have looked quite handsome this week with their decorations in honor of the old soldiers, and now let's see if we can not make them look more beautiful next month, when we will have a much larger body of strangers in our city—the Grand Commander of Knights Templar. Save the flags you now have and go to Messrs. Sower & Ahler, purchase some of their Templar banners and on the 27th of May decorate your buildings with flags, bunting and banners, so that the city will look her prettiest, and show those who come here from the other parts of the State that Frankfort always knows how to do the hand some thing.

Through the Wavy Hours
Or many a night made doubly long by thy protracted agony, the rheumatic sufferer tosteth to and fro on his sleepless couch, vainly seeking relief from the agonies of fits and starts. His malady is one which ordinary medicines too often fail to relieve, but the application to the affected part of an efficient blood depurant, Hostetter's Stomach Bitters, affords the rheumatic patient means of relief which cannot be paralleled. Whatever be the duration of the disease, whether it be acute or chronic, the active influence of the Bitters upon the system is most marked, and the relief relating to it's effects is more direct and positive than that which relates to its action in curing the disease. While the Bitters are efficacious in dyspepsia, indigestion and kindred diseases, however, it deserves a protracted systematic trial, and should not be abandoned before it has been given a sufficient time to exert its medicinal influence.

It deserves a protracted systematic trial, and should not be abandoned before it has been given a sufficient time to exert its medicinal influence.

Numerous Applicants.

The position of Superintendent of the Frankfort Public Schools is considered a rich plum by the educators throughout the country, if one may judge by the number of applicants for the place. The Board of School Trustees have received about forty applications already, and they are still coming in. From so great a number of those willing and anxious to serve the people of Frankfort, we should certainly secure a first-class man of progressive ideas for the position.

Gentleman Jockey.

Mr. Elmer Ralley, a society young man of Midway, and well known in this city, made his debut upon the Lexington track Tuesday as a race rider. In the first race he drove the whole field in, being left far in the rear, owing to a bad start. The next race in which he had a mount he came in ninth. If there is anything in a bad start being a good ending, he ought to come out on top.

Her Natal Day.

We have received an invitation from Miss Rafaela Single, who first saw the light of day in this city one year ago to-day, to attend her first birthday party at the residence of her parents, No. 12 Corona Park, Oak street, Pueblo, Colorado. We wish the young lady many happy returns and regret our inability to be present.

JOHN ROBINSON'S SHOW.

A Gorgeous, Sumptuous and Impressive Entertainment.

To speak of the merits of John Robinson's Great World's Exposition is merely to clove the apple lost with the popularity of this nation. There is not an amusement-lover on the continent but what is fully cognizant of the fact that it is now and ever has been the best among the best. Every body does not know, however, that during its last exhibition, the grandeur of the show has received an augmentation, so vast and so important as to dwarf by comparison even its own great exhibitional excellence. We allude to the grand, gorgeous and sublime biblical spectacle of "Solomon, his Temple, the Queen of Sheba, and all that which innumerable people find attractive participation, and which is replete in grand scenicographic effects, typical reproduction of biblical personages and events, profuse in pageant and processional features, lavish in entertainment and magnificence, and incomparable in appointments, requiring for its production the largest stage ever constructed, and conspicuously portraying such sacred events, scenes and incidents as the Judgment of Solomon, Arrival of the Queen of Sheba, The Trial of David, the Plague and Tomato, Court of King Solomon's Temple, the Walls and Towers of Jerusalem, Solomon's 700 Wives, the Sacred Ark of the Covenant, the Great Ivory Throne, Procession of War Chariots, Slaves bearing the Ark, lovely scenes of Dancing Girls, martial and courtly Parades and exciting Chariot Races. This eminently moral, historical and mind-elevating spectacle will command itself to every lover of the sacred and beautiful.

The Robinson Exposition, with its sublime spectacular accession, is to exhibit in this city on Thursday, May 21.

Call for a Mass-Convention.

We, the undersigned, believing that in the light of recent events, a general call of all our people can not obtain relief from the injustice and oppression now heaped upon them by unjust legislation from either of the two great parties, and recognizing the fact that the leaders of both of them are the tools of the moneyed and pauper, and the further fact that the leaders of both old parties are practically a unit in opposition to the demands of labor throughout the United States, call upon who will ask for relief or lift up a voice in behalf of the toiling millions who produce the wealth of the whole country, traitors to the party, and warning us that if we continue our efforts to remedy the evils of the past thirty years, no other State or Nation can have no place among them, do hereby in view of our disinheritance by these self-created monarchs, call upon all citizens of Franklin county, who believe in the justice of the demands of labor for relief, without regard to party affiliation, to meet in mass convention at the Court-house, in the city of Frankfort, on Saturday, May 9th, 1891, at 10 o'clock, a.m., for the purpose of placing in the field candidates for the Legislature and county offices to be voted for at the next regular election, and to draw down on the People's Ticket, and the candidates to be subject to the action of neither of the old parties, and men of undoubted fealty to the demands of organized labor, and such platform as may be adopted by the convention.

VOL. XIV. . . NUMBER 33

FRANKFORT, KY., MAY 2, 1891

North Pleasureville.

Bob Reynolds, of Kansas City, Mo., returned home a few days ago, after a two weeks' visit to friends in this town.

Mrs. Dr. Miles and daughter, Nellie Bly, are visiting Wm. A. Duncan and wife.

Bradley Clark, of Jacksonville, visited his uncle in Pleasureville last week.

The undertaker of our town visited his sister in the city of Louisville last week, and while gone he drew a pension of \$12 per month, and when he landed home he found a fine son.

I am always glad to peruse the interesting and refreshing ideas of my trust-worthy friend, Close Observer. Come again, Billie.

Leyburn Smith, who has been very ill for some time past, we are glad to report him much better, and are long we hope to see his smiling face on our streets again.

Mrs. Tom Lipton is improving his lot wonderfully, and will soon build him a house with a view of finding him a housekeeper soon.

Prof. Ericson's school closed at this place last Friday. An entertainment was given by the pupils at night.

One of the grandest weddings that has occurred in our knowledge for some time past, took place last Wednesday evening at 8 o'clock p. m., at the Christian Church at this place.

The contracting parties were Mr. Willie Bibb and Miss Ella Shueck.

The young ladies of our town decorated the church in a beautiful manner, and the ceremony was performed by Rev. H. Baker, pastor of the Christian Church, in a beautiful and impressive manner.

The groom is a very study and business young man, being chief clerk in the large wholesale and retail dry goods and grocery store of Geo. Stearns, and by his strict attention to business, polite and gentle bearing, has won for him a host of friends.

The bride is the only child and daughter of Mr. Frank Shueck, and a young lady that has many friends and acquaintances.

The couple have the very best wishes of your humble servant, and may they enjoy continual happiness.

LOUISVILLE TOBACCO WAREHOUSE.

Sales on our market for the week just closed amount to 2,874 hds., with receipts of \$53 for the same period. Sales on our market since January 1st amount to 55,363 hds. Sales of crop of 1890 on our marketto date 36,177 hds.

Our market has been without any new features this week. Prices for medium good and fine grades of burley leaf continue high, and the same is true of the colony low grades. Receipts have been materially curtailed on account of the pressing demand on the farmers in their efforts to catch up with their farm work. The time of year is at hand when the manufacturers are very discriminating with regard to the condition of tobacco, and therefore becomes important to pay special attention to the ordering of tobacco.

The following quotations fairly represent our market for burley tobacco:
